## ATTENDING THE COURSE

---

The course is designed to take you on a journey that increases awareness and understanding of coaching techniques whilst not compromising risk.

- Proactive approach to reduce risk and support a coaching ethos.
- Importance of SBI, Situation Behaviour and Impact on others.
- Reasons to manage a safe environment whilst teaching.

The first section of the course will be taken online via Zoom, or we have the option of face-to-face integrated live training over a coffee. Then, for the second part, you'll be required to drive and will receive personalised coaching during an on-road coaching session with your dedicated trainer. This is putting what you learnt online into real practice. You'll then create an action plan to address personal relevant issues. **To qualify for this type of training, you will need to be a fully qualified ADI or have just completed the second part of qualifying process, ADI 2.
